FACE PAINTING - BOUNCE HOUSE - DJ - RAFFLE GIVEAWAY - CARICATURE ARTISTS - PICS W/ SANTA & MORE!

As announced at the annual HOA meeting, management of the Castle Hills HOA is transitioning from Bright Realty Management, to Legacy Southwest Property Management, effective January 1st.

This change will also bring residents some updated and more streamlined services and accessibility that we are very excited about being able to offer.

With change comes challenges, and we appreciate your patience as some of our services may be restricted or interrupted as we transition to our new company.

Updates and information that are applicable to residents will be communicated by Legacy Southwest very soon, so watch your mailboxes!

For information on how to pay your dues, please see page #2.

2025 Annual Assessment: Invoices Have Been Mailed

Invoices for the 2025 annual assessment were mailed in October.

It is resident's responsibility to make sure we have the correct mailing address on file if they do not reside at their Castle Hills property.

The 2025 annual assessment is \$1,360. A portion of this amount (\$100) will go into the capital reserve account for the community.

The annual assessment is due in full on January 1st.

We have found invoicing the assessment early allows residents time to make payments towards the assessment in the months leading up to the due date, and prior to the holiday season.

Special Assessment Now Past Due

The special assessment of \$325 was due in full on October 30th.

Accounts that have not yet paid the special assessment are subject to late fees and subsequent accruing interest.

The Board of Directors for the Master Association decided to levy a one-time \$325 Special Assessment to the members of the Residential Association to address several key areas that require immediate attention.

The invoice included a detailed letter providing the reasons for the special assessment, which are provided below:

- **Mail Center Renovations**
- **Capital Reserve Balance**
- **Increased Insurance Premiums**
- **Operating Expenses Coverage**

If you would like a copy of the letter that was provided with the invoice for additional details as to how this decision was made, you may email us at hoa@castlehills.org and we will provide it to you via email.

Effective January 1st, 2025, Legacy Southwest Property Management will be the new management company for Castle Hills, and payment methods and platforms will change. You may continue to make your payments online through Zego/PayLease through December 31st, 2024.

Notification of the new payment platforms and methods will be communicated once it becomes available.

A REQUEST FROM THE CASTLE HILLS MAIL CENTER:

Dear Castle Hills Residents,

Due to the recent time change and with the holiday season upon us we are requesting the below actions from to you to better assist you.

If you are expecting a package delivery, please:

- 1. Leave your front porch light on during the evening**
- 2. Make sure your address number is visible from the street**

These simple items will assist all mail center personnel to efficiently and accurately deliver your items.

We appreciate your assistance!

-CH Mail Center

Additional Information:

- If you receive a "signature required" notice for a piece of mail, **Lewisville** residents will have to pick up that item from The Colony Post Office; **Carrollton** residents will pick up from the Rosemead & Josey Lane Post Office.
- The Colony Post Office will NOT accept a re-delivery request
(even though the USPS system allows you to request one online)
- Packages that do not require a signature are left at the Castle Hills Mail Center and will be delivered to your home

Castle Hills Parks: CLOSE AT DUSK

As a reminder, parks managed by the Castle Hills Master Association close at dusk.

These parks are not lit because they are closed after dark, and temporary lighting is not permitted - specifically at the sports fields. Those seen using temporary lighting at these locations will be asked to remove them.

Remove Campaign & Political Signage

Per the state property code, campaign/ political signs may be posted 90 days before an election, and must be removed within 10 days after the election.

We are now more than 10 days past Election Day, and all campaign and political signage should now be removed

(this includes flags, banners, pennants etc.)

Properties that still have campaign signage up may be subject to a violation.

Wanna Get Involved? Here's How!

Seeking Residents As New Members of the Residential Architectural Review Committee (RARC)

We are looking for residents from all phases of the community who would like to volunteer to be part of the RARC.

This committee gathers twice a month (the 2nd & 4th Monday @ 1PM) and reviews the modification applications that residents submit for changes to their properties.

Applicants must be available to meet in person for these two days a month.

Some knowledge of property improvements and easements is preferred, but not required.

The review process requires familiarity with the Castle Hills Design Guidelines and Texas State Property Code to ethically and efficiently make decisions on modifications.

Volunteers must be familiar with these documents, or willing to learn.

Please email latonya.coleman@castlehills.org if you are interested in more information.

Castle Hills Events Committee

As the development of residential homes comes to an end, we are looking for more hands-on involvement from Castle Hills residents in the planning and execution of community events.

To accommodate this we have implemented the Castle Hills Events Committee.

This resident committee works independently and along side the HOA management company to come up with activities, coordinate with vendors, and work the events.

Having residents involved will further promote a sense of belonging that Castle Hills was designed for, where families know each other and friendships are developed and nourished through community comradery.

If being part of this committee interests you, please email hoa@castlehills.org and request a copy of the application.

Winter Weather Awareness

With the winter months approaching, please be mindful of the weather and take appropriate measures to ensure your property is prepared for freezing temperatures.

Make sure your irrigation is turned off prior to impending freezing weather.

If your system has a freeze sensor on it, do not rely on it to stop your system from running.

If your system runs during freezing temperatures, it can be damaged and any water coming from it will freeze instantly, creating hazardous driving conditions.

Residents who have not done this in the past have created dangerous slick areas around their properties (alleys, driveways, streets, sidewalks etc.).

Remember, you are responsible for the maintenance of your estate.

Please help keep Castle Hills safe and turn off your irrigation systems during freezing weather.

Remember the 4 P's: People, Pets, Plants & Pipes!

Community Garden 2024 Applications

Applications for a garden plot are now available!

Please email a request for an application to communitycenter@castlehills.org

Hard copies will be available at the Queen Margaret Community Center.

The deadline for application submissions is **January 15th, 2025**. The completed application and waiver page must be returned along with a \$30 adopt-a-plot fee. Plot sizes will depend on how many applications are received.

There are 16 garden plots that measure 4ft by 16ft that can be divided into smaller 4ft by 8ft plots, making 32 plots available. Please contact the community center at 972-899-7500 or communitycenter@castlehills.org if you have any questions.

COMPLIANCE CORNER

Winter Preparation & Holiday Guest Parking

Check the Fireplace & Chimney

If you use your fireplace, make sure to have it routinely cleaned by a chimney sweep and checked for cracks or any damage it may have sustained. You should also check for any debris it may have gathered such as leaves and birds nests, and any possible creosote buildup as these things could be a fire hazard.

Prevent Pipes from Freezing

When water freezes, it expands and can cause your pipes to burst.

To prevent frozen pipes, insulate pipes near windows, doors and in areas of the home that are unheated.

Disconnect your garden hose from the outside faucet and set the heat to no lower than 55 degrees F.

Clear the Gutters

If you haven't already, clear your gutters of any debris they have collected. Leaves, sticks, pine cones, etc. prevent

The holiday season also means visiting guests for a lot of you.

Please be courteous of your neighbors and inform your guests of the below parking etiquette:

- Please utilize your garage and driveway and leave parking on the street as a last resort
- Park in front of the home they are visiting and on the same side of the street
- Park in the direction of traffic
- Park for no more than 24 hours at a time
- Do not block your neighbors driveways
- Do not park in a way that makes it difficult for motorists to maneuver your street
- Do not park next to or in front of a stop sign (if applicable)

It is understood that many of you will have guests this holiday season and parking is always an obstacle.

We ask that do the best you can and be considerate of your neighbors.

Communication with your neighbors may be necessary as a courtesy and is encouraged.

Castle Hills CCRs & Guidelines

These documents and more are available electronically under the Resident Portal section of www.castlehills.com

Mandatory HOA/Annual Assessment

Castle Hills is an HOA community and all residents pay an annual assessment that is invoiced at the end of the year, and is due January 1st every year.

Not Residing in the Neighborhood?

If you own a Castle Hills property, but do not live in the neighborhood, it is your responsibility to provide us with a current mailing address to ensure you receive important community notices and invoices.

ARC Approval & Application

Any changes or additions made to the property, including but not limited to, re-roofing, fence replacement, satellite dish addition, or pool installations, must be approved prior by the RARC to ensure the work is done correctly and maintains the integrity of the property and the aesthetic appeal of the community. The application is available on the Resident Portal section of www.castlhills.com, or you may request a copy from: hoa@castlehills.org

Homemade Hot Chocolate

Ingredients

- ◆ 4 cups of milk (or non dairy of your choosing)
- ◆ 1/4 cup unsweetened cocoa powder
- ◆ 1/4 cup granulated sugar
- ◆ 1/2 cup bittersweet or semisweet chocolate chips (or chopped chocolate bar)
- ◆ 1/4 teaspoon pure vanilla extract

Instructions

Place milk, cocoa powder and sugar in a small saucepan. Heat over medium/medium-low heat, whisking frequently, until warm (but not boiling). Add chocolate chips and whisk constantly until the chocolate chips melt and distribute evenly into the milk. Whisk in vanilla extract, serve immediately, garnish as desired (marshmallows, peppermint sticks, ground cinnamon, etc.).

Winter Simmer Pot

Ingredients

- 1-2 cups whole fresh/frozen cranberries
- 1 large orange (sliced)
- 2-4 rosemary and/or pine
- 4-6 cinnamon sticks
- 1-2 tablespoons whole cloves
- 1-2 tablespoons allspice berries
- 1 teaspoon ground nutmeg

Instructions

Fill a large pot 3/4 full with water and place over high heat. Add all of the ingredients to the pot. Bring the liquid to a boil, then reduce the heat and simmer on low for 2-3 hours. Add more water, as needed, so there is always some liquid in the pot. After simmering for a few hours, allow to cool, and then cover the pot and let it sit on the turned-off stove until the next day.
