THE Gatekeeper NEWSLETTER

Easter Egg Hunt

Saturday, April 12th @ Lake Avalon Park

The 0-3 age group will start promptly at 10AM and the other age groups (4-6 and 7-10) will start about 5 minutes later. This gives parents of the little ones time to assist them during their hunt prior to the others starting. The Easter Bunny is sure to make an appearance, so bring your smiles and cameras!

Kiddos will need to bring their own baskets for hunting. Before you leave, please empty the contents of the plastic eggs in your baskets and leave the plastic eggs in one of the containers by the Easter Bunny so we can recycle and use them again next year.

If you don't leave the plastic eggs the day of the event, you can drop them off at the Community Center at 2501 Queen Margaret Drive during their business hours.

Can't wait to see you there! Happy hunting!

We are very excited to welcome back **Lewisville ColorPalooza** and **Chalk This Way** at this year's Easter Egg Hunt!

Deep Ellum-based artist Carissa Nalley (aka Rissilient Art) will create a chalk art mural at the event, and Chalk This Way will be on site with chalk for kids to create their own chalk art

masterpiece. We hope to see everyone at **ColorPalooza** on **April 26 in Old Town Lewisville**.

Carissa Nalley (aka Rissilient Art) is a full time multidisciplinary artist specializing in an array of mediums. Creating vibrant and detailed works, she loves capturing the essence of life!

How Castle Hills Mail Delivery Works

USPS delivers mail/packages to each resident's mailbox at the Sword Bridge Mail Center. The Castle Hills mail staff pulls the mail to deliver to each resident's home the following day. Items such as certified and registered mail requiring a signature will need to be picked up at either: the Colony Post Office (Lewisville residents) or the Carrollton Post Office (Carrollton residents).

Every effort is made to deliver packages the same day they are received. The Castle Hills Mail Center will also hold your mail for vacations and re-deliver to you upon your return home.

If you are expecting a package delivery, please:

1. **Leave your front porch light on during the evening**
2. **Make sure your address number is visible from the street.**

These simple items will assist all mail center personnel to efficiently and accurately deliver your items.

New Trash Services for Lewisville Castle Hills Residents

Trash and Recycling Services for the Lewisville homes in Castle Hills is provided through the City of Lewisville, and they have selected a new trash and recycling provider, Republic Services.

The Castle Hills HOA does not provide trash and recycling services and had no part in the City of Lewisville's decision to change vendors.

The flyer that was provided to residents has been included as a PDF attachment in the CINC email that the ***The Gatekeeper*** came through.

Any questions not answered by the flyer may be answered on Lewisville's trash and recycling page: [Trash and Recycling Information | City of Lewisville, TX](#) or you can reach out to them by phone at 972.219.3699 .

You can reach out to Republic Services directly at: 972.316.0789 .

Any inquiries regarding new and old trash receptacles need to be directed to the above contact information.

COMPLIANCE CORNER

Spring Has Sprung!

- **Treat weeds in the lawn with a post-emergent weed control:** Treat only the weeds, not the grass.
- **Fertilize your yard:** This is what helps make your lawn green and thicken.
- **Fertilize all trees and shrubs with a granular fertilizer made for trees and shrubs:** Don't rely on your lawn fertilizer to do this work.
- **Your lawn needs weekly mowing:** Don't bag, but mulch and don't scalp your lawn. Be sure to trim and edge the lawn as well.
- **Spring watering suggestions:** Water your lawn 15 minutes twice a week and landscape beds 15 – 20 minutes twice a week. You can set each station of your sprinkler system for the appropriate amount of time and this still keeps compliance with the Stage 2 water restrictions for Castle Hills, just be sure you are watering on the correct days.
- **Plant seasonal color:** Begonias or pentas in the sun and for shade you can plant impatiens or caladiums. There are many other plants to choose from, these are just some suggestions.
- Springtime is a good time to **mulch the landscape beds** for a fresh look: 1 ½ inches to 2 inches deep. Hardwood, pine bark, and cedar mulch are all good to use.
- **If your trees are a year or more old, consider removing the stakes (including parkway trees):** As the tree grows the part of the stake that is wrapped around the tree tightens and the tree can actually start to grow around it, potentially causing damage to the tree. Also, the tree being continually staked can make the root system not develop properly so the tree does not grow. If the stakes are no longer connected to the tree, please remove the stake and wire. It does not look good and it may be a safety hazard for pedestrians and animals.
- **Remove dead plants, grass and weeds from landscape beds (including around trees):**
Grass and weeds in landscape beds detract from the appearance of your home and the aesthetics of the community.

The Deed Restrictions and Design Guidelines that encumber your home requires:

"All landscaping shall be maintained in a neat, clean and healthy condition. This includes pruning, mowing of lawns, weeding, removal of litter, fertilizing, replacement of plants where necessary, the application of pest control substances, and the regular watering of all plant material."
